Interest Area: (Rate you preference: 1 preferred most, 7 preferred least, etc):

Refugee or Cuban/Haitian Resettlement Internship	Communications & Fundraising Internship	Refugee Health Internship
Refugee Employment Internship	Faith and Community Involvement Internship	

**Background Check:** CWS Lancaster requires interns to submit a release form allowing the organization to conduct a background check. This information will be required prior to internship placement.

Interns are a vital part of achieving our goal of maintaining Lancaster as a welcoming community for refugees. We are thrilled to partner with you in this process. Due to high community interest in refugee resettlement and the schedules of our busy staff, we are not able to accommodate all students who would like to work with us. Interns are therefore chosen based on how well their schedule, availability, skills and interests meet the needs of our clients and our staff.
